In the place you said you'd meet me, I don't see you  
hanging around -i'm goin' home- if that's all you ever  
tell me, seems you don't wanna be found -and I'm goin'  
home- don't come over, I can't  
Ower no more meetin', I been beaten got a blast of  
what I should be busy doing. yes, I'm lost -i'm goin'  
home- I want to tell you that I miss you, but I'm pissed  
you blew me off -i'm goin' home-  
Ore meetin', I been beaten go ahead fake it, I can't  
shake it I breath all alone I need nothing, I can do by  
the pound the tension's mountin' wrapped around me  
feelin' tight -i'm goin' home- if  
E castin' out some psycho, you'll need me. tantrum? I  
won't bite -i'm goin' home- on a day that's burnin' this  
crazed, don't tempt me 'cause I might -i'm goin' home-  
if it's gonna be the last ti  
Ell then maybe it's alright -i'm goin' home- it's inside,  
but go ahead fight it I've about had it, go ahead grab it  
I can't take it, go ahead fake it I breath all alone for you
