Hey, what's on your mind? hey, what's that got left
behind? tension running, how? , what for? don't think
I'm into you anymore falling off the pace run into you
most every place and I hardly go o
E let's take a little ride I don't know, man, you decide
how'd you pin that one on me? haven't even done it yet
how can that be? my move or do I chuck it? stare it in
the face or duck it get me
Ket I disappear I would agree that's a distinct possibility
wrap my leg around the table I'll make the trip when I'm
more stable gotta cut that one leg free hobblin' around,
hold out for me i'll
E the house when I'm less scared don't make me go,
I'm not prepared hey, what's on your mind? hey, what's
that got left behind? was it me you saved that for?
what's down at the core? hey, I seen
Look before weren't you using that on me? do you slap
that glaze on every guy you see? my move or do I
chuck it? stare it in the face or duck it get me a bucket
[solo] I don't know why you see
Don't know a thing to be my m
Ove or do I chuck it? stare it in the face or duck it get
me a bucket
