In the morning it's the last time that I saw her face in  
that special way to me without a warnin' she pulled  
every trick to name a few what was I supposed to be ?  
I'd like to think she cried for  
Ut I don't know her memories won't let me be just can't  
let go in the morning is when I think about her could it  
be she cried for me ? I don't think so in the evening I  
don't think it was a peac  
Scene seemed to me a little rough she was leavin' but  
she forgot to leave a piece of me I didn't know she was  
that tough I don't know why she'd see me I don't know  
what else to be I'd like to th  
He cried for me but I don't know her memories won't let  
me be just can't let go in the morning is when I think  
about her could it be she cried for me ? I don't think so  
[solo]

Is there something that I could do to make her feel a  
thing ? I don't know what to expect guess there's one  
thing I got left but then I could be wrong maybe that's  
the thing she wrecked I don't  
Why she'd see me I don't know what else to be hope  
she's diggin' being free but does she cry for me ? I  
don't know her memories won't let me be just can't let  
go but in the morning is when I thi  
Out her could it be she cried for me ? I don't know I'd  
like to think she cried for me I don't think so
