"Mind Glow"

Visit "[Mind Glow](#)" on MotoLyrics.com

It's been runnin' for a long time and it's runnin' out in
my mind I can't explain it all to you it's really jumbled
up so for longer now I'm messed up and I'm wishin'
now I'd 'fessed up that con
S no use to you it feeds the pain that stung so forget
how I am dealin' explain to me the feelin' it gets to that
point instantly you're ready to unload and I'm the one
you're spitting at I'm re
Or my fitting at doesn't make much sense but when I
get it calm it's slow [solo]

It's hard to admit anything I'm sorry for the weight I
bring I'll do whatever's necessary to make your mind
glow soft it's played out too far to stew and I've run out
of grace with you so I'm ou
Take a walk and we'll be better off whether I lied as
much as you tried whatever you decide I hope it's good
to you for everybody's sake lord knows we all need a
break do what you got to this i
D to take to the time I spent discussin' I'll sit back and
stop the fussin' I won't mention it to anyone and we'll
be better off I won't admit to anything sorry for the
weight I bring do whateve
Ecessary to make your mind glow soft whether I lied as
much as you tried whatever you decide I hope it's good
to you for everybody's sake lord knows we all need a
break do what you got to this i
D to take
