I know these things have passed you by I know it's
tough to even try it's such a different kind of scene I
know you don't know what I mean yeah well, I tried to
tell you before I know all you wa
More I'll always tell you different stuff no matter what
won't be enough I figure it'll be cool sometime after I've
cooked everyone I find I can only take it to that certain
place it's just not
, look at your face whenever you get in my face there's
something strange I start to taste hold back, hold back,
hold back hold back, hold back, hold back it's all
restrain I'm gettin' these day
It okay or am I out of place so everytime you see me
now you psyche for a minute till you remember how I
crawl here inside in mind with muck you stopped
smiling remember how everything sucked da
Around what I could say cause I just can't live that way
hold back, that's not enough to stay hold back, hold
back, hold back hold back, hold back, hold back hold
back, hold back, hold back hol
K, hold back, hold back
