I know I've been what's in your mind you could use it,
babe if ever I could let you go is that hard to take it's
not often you soften up enough to smile I'm damaged,
I'm sandwiched in here for a
E tomorrow it's the last event that you'll be a man
forget what you thought she meant thank her, wish her
well I'm damaged, I'm sandwiched in the tree of light
it's no wonder I'm under and no st
H to fight if ever there had been a time would you let
me know ? is there enough of you around could you let
some go ? all the love won't deny you you're above all
you cry to gave it all I could
K of wish you'd get what you're on the brink of all the
love won't deny you you're above all you cry to gave it
all I could think of wish you'd get what you're on the
brink of all the love
