Hey, look over your shoulder hey, as we're gettin' older
always thought I should've told you it's alright, but it's
sure gettin' colder I know you're over my shoulder I
know now you'll get to ho
R you're gone but it can't be wrong you're gone can't be
for long you walked over my shoulder you came cause
I told you you thought I knew it was over all you knew
was to hold her you're gone it
T be wrong you're gone don't stay for long [solo] you
figure this, you don't get to be I'm wrong, whatever it's
still the same I know it's over your shoulder I know now
you'll get to hold her wh
Wake up and you are gone when I wake up I knew all
along when I wake up and you are gone when I wake up
I knew all along [solo] you're gone but it can't be wrong
you're gone don't stay too long
E gone but it can't be wrong you're gone can't be for
long
