There's no goin' back to that I'm so numb, can't even  
react didn't say it's not ok but we aren't dealin' the  
same way I ain't tellin' you a secret I ain't tellin' you  
goodbye it's the last thing  
Y mind still you won't let things unwind spinnin' tight  
around your head can't you hear a word I've said? I  
ain't tellin' you a secret I ain't tellin' you goodbye when  
you call it's just not fai  
S the last thing you should share I can't deal, I'll let you  
know still I wish you'd let it go I ain't tellin' you a secret I  
ain't tellin' you goodbye I'm tellin' you for one last time  
it's not  
You, the problem's mine to hide I waited as long as I  
could if you need it, sure I would, that's fine [solo]

Well, there's no goin' back to that I'm so numb can't  
even react didn't say it's not ok but we aren't dealin'  
the same way I ain't tellin' you a secret I ain't tellin' you  
goodbye goodbye goodbye  
Dbye I'm tellin' you for one last time it's not just you,  
the problem's mine to hide I waited as long as I could if  
you need it, sure I would, that's fine I'm takin' away a  
lot of stuff I'm tell  
Ou it's rough but not goodbye [solo]
