I been thinking through the night
Everybody's so uptight
People hurt and that's their right
Cut 'em all loose, think I might

Stewin', hangin' out in town
And my head whirlin' around
Don't trust your mind, it'll let you down
Don't have a thing to go on

I don't know a thing to say to you
I don't know a thing to say to you

There's a time and there's a place
It's not now, it's time to pace
Things I'd say but just can't face
All it means to say then

I could believe the things I feel
Then tomorrow get the same deal
Am I acting on something real
Or am I blowing it again?

I don't know a thing to say to you
I don't know a thing to say to you

I don't know a thing to say to you
I don't know a thing to say to you
