Waiting on the top
All the people all the time
Waiting as a crew
Don't pretend you didn't know
I know there's no end
I know a sick game

Waiting on the line
All the people thinking why
Waiting not to shoot
I got off, but is it her?
I know, I know
I know, I know

Calling all the time

Feeling back from the edge of the skip going deeper
and deeper
Running for a sign
I'm back to changing facts
And I ran to see if she's asleep and if she's a keeper

Waiting as a crew
Don't pretend cause I don't know
Waiting not to dig
Not the way I feel this is
I know it's far from home
I know, I know

Crying all the time
Discharge is a sign
Came home as if that look is gonna last the end this
time
I'm on the ride
Don't let me unwind

Waiting on the shelf
I don't need it, but it helps
Waiting, easy friend
I'd explain but you just stare
I know, I know
Waiting, waiting, waiting

Waiting, waiting, waiting
