every time i hear the footsteps  
of a song i thought was you  
i knew life was overated  
before you walked in through my door

you're so shiny  
you're so fine  
come on wiggle for me  
don't you think it's time

take my love  
'cross the ocean  
take my scooter  
my magic potion

but take you with me  
if you don't mind  
need to live this picture  
don't you think it's time

take my love  
take my lotion  
take my puppy  
'cross the ocean

take me with you  
you're so fine  
don't you think it's time  
don't you think it's time
