In the place you said you'd meet me
I don't see you hanging around, I'm goin' home
But if that's all you ever tell me
Seems you don't wanna be found, and I'm goin' home

And don't come over, I can't get lower
No more meetin', well, I've been beaten
Got a blast of what I should be busy doing
Yes, I'm lost

I'm goin' home
I want to tell you that I miss you
But I'm pissed you, blew me off, I'm goin' home

No more meetin', I've been beaten
If you go ahead fake it, I can't shake it

I breath all alone
I need nothing, I can do

By the pound with the tension's mountin'
Wrapped around me feelin' tight, I'm goin' home
But if you're castin' out some psycho
You'll need me, tantrum, I won't bite, I'm goin' home

On a day that's burnin' this crazed
Don't tempt me 'cause I might, I'm goin' home
If it's gonna be the last time
Well, then maybe it's alright, I'm goin' home

Well, it's inside, but go ahead fight it
Well, I've about had it, go ahead grab it
Well, I can't take it, go ahead fake it

I breath all alone for you
I need and you know it's true
I breath all alone for you
I need nothin', I can do

And people tell me that you miss me
And I guess I'm doin' fine
