In the morning
It's the last time that I saw her face
In that special way to me
Without a warnin'

She pulled every trick, to name a few
What was I supposed to be?
I'd like to think she cried for me

But I don't know
Her memories won't let me be
Just can't let go

In the morning
Is when I think about her
Could it be she cried for me?
I don't think so

In the evening
I don't think it was a peaceful scene
Seemed to me a little rough
She was leavin'
But she forgot to leave a piece of me

I didn't know she was that tough
I don't know why she'd see me
I don't know what else to be
I'd like to think she cried for me

But I don't know
Her memories won't let me be
Just can't let go

In the morning
Is when I think about her
Could it be she cried for me?
I don't think so

Is there something
That I could do to make her feel a thing?
I don't know what to expect

Guess there's one thing
I got left but then I could be wrong
Maybe that's the thing she wrecked

I don't know why she'd see me
I don't know what else to be
Hope she's diggin' being free
But does she cry for me?

I don't know
Her memories won't let me be
Just can't let go

But in the morning
Is when I think about her
Could it be she cried for me ?

I don't know
I'd like to think she cried for me
I don't think so
