Hey, I live for that look  
Hey, is that all it took?  
I know why, I know why

Hey, it's all on your head  
Hey, is that what you said?  
I know why, I know why

You run around and you won't see tomorrow  
See today, no way  
Time to pay up for not having a time to even say

Hey, it's goin' no place  
Hey, don't give me that face  
I know why, I know why

Hey, be better this time  
Hey, get out of my mind  
I know why, I know why

You run around and you won't see tomorrow  
See today, no way  
Time to pay up for not having a single thing to say  
Tell me now, tell me now
