Oh won't you come?  
'Cause I've been waitin'  
Won't you come?  
'Cause I've been waitin'

See if it's true

Won't you come?  
'Cause I've been waitin'  
Won't you come?  
'Cause I've been waitin'

See if it's true  
See if it's true  
See if it's true

Won't you come?  
'Cause I've been waitin'  
Won't you come?  
'Cause I've been waitin'

Won't you come?  
'Cause I've been waitin'  
Won't you come?  
'Cause I've been waitin'

See if it's true  
See if it's true  
See if it's true

Now I've lost the thing that I had to say  
I know you're no good that way  
You send me, you wanted this too

Take your heart I think I get it now  
Well I just can't prolong  
Somehow I'll really do

See if it's true

Oh won't you come?  
'Cause I've been waitin'

Oh won't you come?  
'Cause I've been waitin'

See if it's true  
See if it's true

Time was we'd drop out everything  
And there was a peace you'd bring  
But you didn't wanna go

Talked about the hell we'd both been through  
Seemed like the thing to do  
Like something I needed to know

See if it's true  
See if it's true
