Eyed it, dried it, untied it
Chilled it, spilled it, refilled it
Paste it, traced it, erased it
She's my post to lean on
And I just cut her down

So I'm out to land on somethin'
Hopefully a girl will come
To me at the ground

Eyed it, dried it, untied it
Chilled it, spilled it, refilled it
Paste it, traced it, erased it
She's my post to lean on
And I just cut her down

So I'm out to land on somethin'
Hopefully a girl will come
To me at the ground

She's my post to lean on
And I just cut her down

So I'm out to land on somethin'
Hopefully a girl will come
To me at the ground
