Disclaimer: No lyrics were put up of this song previously. This is the song to my best knowledge as I can interpret it. Sounds pretty good to me.

I miss my life
This isn't good
Got so intense
I wish you would
Said I'm down to meet you
Should have been
Someone said I should see you
I'd try anything

I open the door
You I wanted more
Never seemed to be
Like this before
Walk right out
What was that
Walk right out
Gotta go back

And finally when
I brought my friend
My mind's a mess
I gotta man

Said I'm down to meet you
I almost did
Someone said I should see you
So that I did

My mind's still in line
Tricks me all the time
Cut you down to size
Bitter move
What was that
I was hurt
I came back

To you why

She knows my face
I got so much
All put away

Said I'm down to meet you
I need you now
Someone said I should see you
You're all I need

Said I'm down to meet you
I'm back again
Someone said I should see you
So now is good
