Dio : Evil Eyes (1983, Dio)

=====

Hide in the midnight  
Turn out the lights you see them anyway  
Sail into never  
They follow wherever you can go  
And take you to the places you don't know  
No, no

It's the call of the city  
The way the blacks pretty to the purest heart  
Is places of pleasure  
They promise the treasure if you fly  
And then there goes the soul of you and I  
Oh do you ever think about the way  
I caught the rainbow  
I'll be there when fire makes you dance

I'm gonna give you the look  
That opens up the skies  
I've got evil eyes  
Evil eyes  
Evil eyes  
Evil eyes

Yes evil eyes  
Ooh those eyes  
Look high in the night time  
Turn out the lights they see you anyway  
Sail into never  
They follow wherever you can go  
Evil eyes  
Evil eyes  
Evil eyes  
Evil eyes  
Evil eyes  
Evil eyes  
Evil eyes  
Take your lies  
Evil eyes  
You've been in the skies  
For what you are  
Evil eyes

Sail into never  
They'll follow you forever  
'Cos they're evil eyes  
Evil - Evil - Evil - Evil - Evil - Evil - Evil Eyes
