Hot night - summer in the city  
Just about to smoke and burn  
Look out - he's evil but he's pretty  
And oh he's gonna twist and turn

He's got the midnight madness  
He's got control  
He's the King of Rock and Roll

Bad blood - everybody knows it  
But everybody doesn't care  
He's got the only way to show it  
They want to see it everywhere

He's gonna give you fever  
He'll scratch your soul  
'Cos he's the King of Rock and Roll  
The King of Rock and Roll

Bad boy - always on the cover  
Gettin' the story told  
Fast, fast - one way or another  
Cause he'll never never never never never get old

He's got the midnight madness  
He's got control  
He's the King of Rock and Roll  
He's gonna give you fever  
He'll scratch your soul  
You are the King of Rock and Roll

Rock and Roll  
Rock and Roll  
Rock and Roll  
Rock and Roll

He's the King of Rock and Roll

Yeeeeeeeeeeeees
