I'm a wheel, I'm a wheel,
I can roll, I can feel
(And) You can't stop me turning

'cause I'm the sun, I'm the sun,
I can move, I can run,
But you'll never stop me burning

Come down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again

I'm the man on the silver mountain
I'm the man on the silver mountain

I'm the day, I'm the day,
I can show you the way
And look, I'm right beside you

I'm the night, I'm the night,
I'm the dark in the light
With eyes that see inside you

Come down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again

I'm the man on the silver mountain
I'm the man on the silver mountain

Come down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again

I'm the man on the silver mountain
I'm the man on the silver mountain

Well, I can help you, you know I can,
I'm the man on the silver mountain

I'm the man on the silver mountain

Just look at me and listen

I'm the man, the man, here go my hand

I'm the man on the silver mountain

Come down with fire

Lift my spirit higher

I'm the man on the mountain

I'm the man on the silver mountain
