I believe what you say when you say
You're goin' steady with nobody else but me
I believe what you say when you say
You don't kiss nobody else but me

I believe, do believe, I believe
Yeah, I believe pretty baby
Believe you're goin' steady with nobody else but me

Well, there's one thing baby that I want you to know
When you're rockin' with me don't rock too slow
Move on in, get toe-to-toe
We're gonna rock till we can't rock no more

I believe, do believe, I believe
Yeah, I believe pretty baby
Believe you're goin' steady with nobody else but me

I believe what you say when you say
You don't miss nobody else but me
I believe what you say when you say
You don't kiss nobody else but me

I believe, do believe, I believe
Yeah, I believe pretty baby
Believe you're goin' steady with nobody else but me

Well, when you kiss me baby then you roll your eyes
I get a funny feelin' that I'm hypnotized
Chills run all up and down my spine
I'm tellin' everybody that you're mine, all mine

I believe, do believe, I believe
I believe pretty baby
Believe you're goin' steady with nobody else but me

Well, there's one thing baby that I want you to know
When you're rockin' with me don't rock too slow
Move on in, get toe-to-toe
We're gonna rock till we can't rock no more

I believe, do believe, I believe

I believe pretty baby
Believe you're goin' steady with nobody else but me

Oh yeah, I believe, do believe
I believe, believe pretty baby
Believe you're goin' steady with nobody else but me,
yeah
