Well, come on, let's go, let's go, let's go little darlin'  
Come tell me that you'll never leave me  
Come on, come on, let's do it again and again and  
again

Well, now sing me, sing me all the way down now  
Come on, let's go little darlin'  
Let's go, let's go again once more

Well, I love you so dear and I'll never let you go  
Come on, come on now baby so  
Oh, pretty baby, oh I love you so

Let's go, let's go, let's go little sweetheart  
And then we can always be together  
Come on, come on, let's do it again, again

Well, I love you so dear and I'll never let you go  
Come on, come on now baby so  
Oh, pretty baby, oh I love you so

Well, let's go, let's go, let's go little sweetheart  
And then we can always be together  
Come on, come on, let's do it again and then again

Well, let's go, let's go, let's go little darlin'  
[Incomprehensible] we belong here  
Come on, come on, let's do it again  
And again and again once more

Well, come on, let's go, let's go, let's go little darlin'  
Come, tell me that you'll never leave me  
Come on, come on, let's do it again and again  
Do it again and again and again  
Again and again and again, again

La, la, la, la, la, la bamba  
La, la, la, la, la, la bamba  
[Foreign Content]  
Again and again, oh yeah

La, la, la, la, la bamba

Well, let's go  
Come on, let's do it again
