Oh you give me love, I don't know if it's good or bad
(Flim flam, wham bam, whim wham)
Ah you give me lovin', but your love just makes me sad
(Flim flam, wham bam, whim wham)
Said you drive me from my mind
You're either too cruel or kind
Flim flam (wham bam, whim wham)

Oh you say you need me but I do believe you don't
(Flim flam, wham bam, whim wham)
Well I say I'm gonna leave you but I do believe I won't
(Flim flam, wham bam, whim wham)
The only thing I know is whether to come or go
Flim flam (wham bam, whim wham)

(x2):
You knock me down, woman, sometimes you're (flim
flam)
& then you pick me up, woman, sometimes you're
(wham bam)
Well you mix me up woman, I'm in a (jim jam)
I say now (flim flam wham bam) well am I am ma'am
I don't need to tell you that I need you like a fool
(Flim flam, wham bam, whim wham)
You don't need to tell me that you treat me harsh (or
mean) & cruel
