Yeah, the gypsy woman told my mama before I was  
born  
"You got a boy child coming, gon' be a son of a  
gun  
Gon' make pretty women jump and shout  
Then the world gonna know what this all about"

And you know I'm here  
Everybody knows I'm here  
Well, I'm a hoochie coochie man  
Everybody knows I am

I got a black cat's bone, I got a mojo too  
I've got John the Conquerer, I gon' mess with  
you  
I'm gon' make you pretty ladies take me by my hand  
And then the world gonna know I'm a hoochie coochie  
man

And you know I'm here  
Everybody knows I'm here  
You know, I'm a hoochie coochie man  
Everybody knows I am

Yeah, the gypsy woman told my mama before I was  
born  
"You got a boy child coming, gon' be a son of a  
gun  
Gon' make pretty women jump and shout  
Then the world gonna know what this all about"

And you know I'm here  
Everybody knows I'm here  
I'm a hoochie coochie man  
Everybody knows I am

I born on the seventh hour and on the seventh day  
And on the seventh month, you know seven doctors say  
"He was born for good luck, that you gonna see"  
I got seven hundred dollars, baby, don't you mess with  
me

And you know I'm here  
Everybody knows I'm here  
You know, I'm a hoochie coochie man  
Lord, everybody knows I am

I'm a hoochie coochie man  
Everybody knows I am  
I'm a hoochie coochie man  
Everybody knows I am
