("Diddle-diddle-diddle-lit-lit" scat singing, heard throughout song)

Oh little girl of mine, gee you sure look fine
Yes you appeal to me, wo yeah, I'll never set you free
'Cause you're my lovin' baby till the end of time
I can't seem to get you off my mind, wo yeah my baby

The boys will roll their eyes as we go strollin' by
It's not so hard to see, wo yeah, they all envy me
'Cause you're my lovin' baby, you belong to me
That's the way it was meant to be, wo yeah my baby

Bridge:
Oh well now I know I love you so
I'll never, I'll never let you go
& I need your love oh so much
That I thrill to your touch

(sax solo)

(repeat bridge)

So little girl, stay true; that's all I ask of you
Be mine & mine alone, wo yeah, don't leave your happy home
'Cause I love you, baby, & I always will
You're my one & only thrill, wo yeah my baby
My honey, my sweet thing
...& fade
