Just a little girl in love
Counting every star above
A certain boy has caught her eye
A certain boy has caught the eye

Of Little Miss Blue
(Of Little Miss Blue)

Oh, Little Miss Blue
You'll give away your heart, it's true
To someone who'll never care
Someone who'll never ever care

For Little Miss Blue
(For Little Miss Blue)

And I wonder if you'll always
Always, always be blue
Or someday, you will find
A someone who loves you

Oh, Little Miss Blue
Tell you what I'm gonna do
If you'll give me a chance
If you'll just give me a chance

I really love you
(Oh, Little Miss Blue)

(Just a little girl in love)
She's counting every star above
(A certain boy has caught her eye)
A certain boy has caught the eye

Of Little Miss Blue
(Of Little Miss Blue)

And I wonder if you'll always
Always, always be blue
Or someday, you will find
A someone who loves you

Oh, Little Miss Blue
Tell you what I'm gonna do
If you'll give me a chance
If you'll just give me a chance

I really love you
(Oh, Little Miss Blue)

Mm, Little Miss Blue
(Oh, Little Miss Blue)
I really love you
(Oh, Little Miss Blue)
