Love Came To Me

Dion

Written by: Dion DiMucci & John Falbo

Peaked at #10 week of 24 November 1962

(background do-wop, continues through most of song)

Shad doy-ya-do, doy doy doy-do

Shad doy-ya-do, doy doy doy-do (Oh yeah)

Shad doy-ya-do, doy doy doy-do (oh yeah)

Shad doy-ya-do, doy doy doy-do

I, I live in dreams.

Strange as it seems

Love came to me.

When I, I opened my eyes

I realized

Love came to me,

Only this time for real.

A-sing it now:

Shad doy-ya-do, doy doy doy-do (Uh-uh-uh, oh yeah)

Shad doy-ya-do, doy doy doy-do (oh-oh-oh yeah)

Shad doy-ya-do, doy doy doy-do (oh yeah)

Shad doy-ya-do, doy doy doy-do

I tell ya now

Love makes me-ah, makes me feel so good (hunh!)

Just like I, I dreamed it would

And I'm glad that-ah, I found you

'Cause-ah love is a gas and I know it will last

And I -

(Love came to me)

I feel so good.

(Love came to me)

And knock knock knock on wood.

(Love came to me)

Yeah, I'm in a whirl

(Love came to me)

I just love that girl.

Shad doy-ya-do, doy doy doy-do (woe-oh-oh-oh-oh
yeah now)

Shad doy-ya-do, doy doy doy-do (Uh uh uh uh)

Shad doy-ya-do, doy doy doy-do (Oh yeah)

Shad doy-ya-do, doy doy doy-do (Oh Oh Oh)

No-ow love makes me, makes me feel so good

Just like I, I dreamed it would

And I'm so glad that-ah, I found you

'Cause - ah-ah - love is a gas and I know it will last

And I -

(Love came to me)

I feel so good.

(Love came to me)

And knock knock on wood.

(Love came to me)

I-I'm in a whirl.

(Love came to me)

I just love that little girl now.

Sing it:

Shad doy-ya-do, doy doy doy-do (Oh-oh-oh yeah)

Shad doy-ya-do, doy doy doy-do (Oh-oh yeah)

Shad doy-ya-do, doy doy doy-do (la-ah-ah-ah)

Shad doy-ya-do, doy doy doy-do
