Oh, little girl of mine, gee, you sure look fine
Yes, you appeal to me, woah yeah, I'll never set you
free
'Cause you're my lovin' baby till the end of time
I can't seem to get you off my mind, woah yeah, my
baby

The boys will roll their eyes as we go strollin' by
It's not so hard to see, woah yeah, that they all envy me
'Cause you're my lovin' baby, you belong to me
That's the way it was meant to be, woah yeah, my baby

Oh well, now I know, I love you so
And I'll never, I'll never let you go
Only I need your love, oh so much
That I thrill to your touch

Oh baby, now I know, I love you so
And I'll never, I'll never let you go
I need your love but it's so much
That I thrill to your touch

So little girl, stay true, that's all I ask of you
Be mine and mine alone, woah yeah, don't leave your
happy home
'Cause I love you, baby, and I always will
You're my one and only thrill, woah yeah, my baby
My honey, my sweet thing
