I said drive down, baby; you know you strike me kinda
funny
You got a handful of gimme & a mouthful of "Thank
you honey"

CHORUS:

& I say jump back, baby, jump back, baby
Check yourself, don't you wreck yourself
You know it may look like I'm crazy, baby, but I know
better
Don't try to hand me no 2-ton feather

You're talkin' to me, baby, like you know somethin' I
don't know
So I'll just out, baby, & there you are walkin' in the snow

(chorus)

You want me to wear cardboard & have my food
starched
& then you want me to go out into the world & make my
mark

(chorus)

(instrumental)

You know, baby, you've got a lot
I say to you, baby, no, but you're not

(chorus; substitute last line with "Baby, you're gonna
lose your happy home")

Some tellin' me sweet honey don't come from the bees
& then some tellin' me sweet peaches don't come from
the trees

(chorus)
