I walked forty seven miles of barbed wire
I use a cobra snake for a necktie
I got a brand new house on the roadside
Made from rattlesnake hide

I got a brand new chimney made on top
Made out of a human skull
Come on take a little walk with me Arlene
And tell me who do you love?

Who do you love? Who do you love?
Who do you love? Who do you love?

Tombstone hand and a graveyard mind
I'm just twenty two and I don't mind lyin'
Who do you love? Who do you love?
Who do you love baby? Who do you love baby?

I rode around the town 'n' use a rattlesnake whip
Take it easy Arlene, don't give me no lip
Who do you love? Who do you love?
Who do you love, yeah? Who do you love?

Night was dark, sky was blue
Down the alley an ice wagon flew
Hit a bump, somebody screamed
Should'a heard just what I've seen

Who do you love? Who do you love? Call me baby
Who do you love? Who do you love?

Arlene took me by my hand
She said, "Ooh babe, I understand"
I said who do you love? Who do you love?
Who do you love, yeah? Who do you love?

I walked forty seven miles of barbed wire
I use a cobra snake for a necktie
I got a brand new house on the roadside
Made from rattlesnake hide

I got a brand new chimney made on top

Made out of a human skull
Come on take a little walk with me Arlene
And tell me who do you love?

Who do you love? Who do you love?
Who do you love baby? Who do you love? You know

Who do you love? Who do you love?
Who do you love? Who, who do you, do you love?
