Oooh, ooo...

Lonely walks in the park
Counting stars when it gets dark
Every little thing I do
Reminds me of you

Window shop, dream of things
When I see engagement rings
Every little thing I do
Reminds me of you

Why was I such a fool
I broke each golden rule
But I have changed, you'll see
Since you left me

High school dance Friday night
How I'd love to hold you tight
All night you, I'm watching you
Every little thing you do

Let me have one more chance
And you'll be my one romance
Darling, let me share with you
Every little thing I do
