Why must I love you so much?  
Sandy, I long for your touch

A better luck the next time Sandy  
I gotta tell ya that we're through  
A find a guy who's always handy  
A listen girl I'm leavin you

A dum dadida dum dum dadida dida  
Dum dadida dum dum da dida dida  
A dum dadida dum dum dadida dida  
Dum dadida dum dum dadida dida

I love a girl around the corner  
Just found out that she's no good  
I left her, didn't even want her  
But I'd crawl back if I could

Why must I love you so much?  
Sandy, I long for your touch  
I never thought you'd put me down  
I can't believe that you're untrue  
And now the new is out around town  
Yeah, what eles can I do?

Whoa ooooo dumdidala dumdidala  
la dal la dal la dal la dal

Oh it's worth this pain  
I can't explain, Oh, and all those tears  
I cry for you, (wop, wop, wop, wop, wop, wop)  
A better luck the next time Sandy  
I've gotta tell you that we're through  
A find a guy who's always handy  
Listen girl I'm leavin you

Why must I love you so much?  
Sandy, I long for your touch  
I never thought you would put me down  
Can't believe that you're untrue  
And now the news is out around town  
Sandy babe what can I do?

Dida dida dum dum da dida dida  
Dum da dida dum dum da dida dida  
Dida dida dum dum da dida dida  
Dida did dum dum da dida dida
