Shu Bop, Shubedubop, Oh oh (x8)

I can't forget the first time I saw you walking by
My heart stopped for a moment
There was love in my eyes

Shu Bop, Shubedubop, Oh oh (x4)

And I, I had to find a way
to make you look my way
There was joy in my heart
I, I couldn't turn away
What more girl can I say
It was love from the start

I don't know you
But I love you
And that feels so strange to me
And I know I want you
Got to have you
Stop girl, turn around and won't you look at me

You looked and you caught my eyes
I thought that I would die
It was love from the first time
You, you smiled and I walked away
Thinking of what to say
There was nowhere to hide

Shu Bop, Shubedubop, Oh oh (x4)

I can't forget the first time I saw you walking by
I don't know you
But I love you
And that feels so strange to me
I know I want you
Got to have you
Stop girl, turn around and won't you look at me

You looked and you caught my eyes
I thought that I would die
I was lost for the first time

You, you smiled and I walked away
Thinking of what to say
There was nowhere to hide

Shu Bop, Shubedubop, Oh oh (x8)
