I hear the music coming out of your radio
Are you there with another girl instead of me
I hear your laughter and there's something I've got to
know

Are you there with another girl instead of me

Well, I'm standing on your doorstep and I don't know
what to do

Should I ring your doorbell or just walk away

My friends all say that you were never true

Hiding in the shadows

I see two silhouettes in back of your window shade

Are you there with another girl when I am gone

I can't believe you'd break the promises that you
made

If you're there with another girl, I can't go on

Oh, I only know I love you and I couldn't say goodbye

So if there's another I don't want to know

If you should go, oh, I would surely die

Love requires faith, I've got a lot of faith but

I hear the music comin' out of your radio

Oh, I only know I love you and I couldn't say goodbye

So if there's another I don't want to know

If you should go, oh, I would surely die

You would never leave me, hurt me or deceive me

I'm a fool to doubt you, worry so about you

Love requires faith, I've got a lot in me but

I hear the music coming out of your radio
