Baby when you left me
You left me on my knees
Now I'm begging you please

I won't stay begging long
Cuz begging's a disease
Tell me you don't love me and I'll leave

Now that you're cryin
And you're feeling all alone
Baby, oh baby, come on home
Well, I'm so sick and tired
Of this misery I've known
Baby, oh baby, come on home

The sun ain't been shining
At the bottom of this hill
I got dead flowers on my window sill

Baby stole her eyes
From a Siamese cat
She got the appetite from a vampire bat

Now that you're cryin
And you're feeling all alone
Baby, oh baby, come on home
Well, I'm so sick and tired
Of this misery I've known
Baby, oh baby, come on home

Won't you come on home
Won't you come on home
Won't you come on home
Cuz when you see me
With another girl
You'll be calling out my name

(Solo)

Now that you're cryin
And you're feeling all alone

Baby, oh baby, come on home
Well, I'm so sick and tired
Of this misery I've known
Baby, oh baby, come on home

Now that you're cryin
And you're feeling all alone
Baby, oh baby, come on home
Well, I'm so sick and tired
Of this misery I've known
Baby, oh baby, come on home

Won't you come on home
Won't you come on home
Won't you come on home
Won't you come on home
Home home home.
