Do you know the way to San Jose?  
I've been away so long. I may go wrong and lose my way.  
Do you know the way to San Jose?  
I'm going back to find some peace of mind in San Jose.

L.A. is a great big freeway.  
Put a hundred down and buy a car.  
In a week, maybe two, they'll make you a star  
Weeks turn into years. How quck they pass  
And all the stars that never were  
Are parking cars and pumping gas

You can really breathe in San Jose  
They've got a lot of space. There'll be a place where I can stay  
I was born and raised in San Jose  
I'm going back to find some peace of mind in San Jose.

Fame and fortune is a magnet.  
It can pull you far away from home  
With a dream in your heart you're never alone.  
Dreams turn into dust and blow away  
And there you are without a friend  
You pack your car and ride away

L.A. is a great big freeway.  
Put a hundred down and buy a car.  
In a week, maybe two, they'll make you a star  
Weeks turn into years. How quck they pass  
And all the stars that never were  
Are parking cars and pumping gas

I've got lots of friends in San Jose  
Do you know the way to San Jose?  
Can't wait to get back to San Jose.
