Foolish little girl
An fickle little girl
You didn't want him when he wanted you

Foolish little girl
An fickle little girl
You didn't want him when he wanted you

He's found another love
It's her he's dreaming of
And there's not a single thing that you can do

But I love him
No you don't it's just your pride that hurts
I still love him
If you got him back again
You'd go right out and do him good

Foolish little girl
An fickle little girl
You didn't want him when he wanted you

He's found another love
It's her he's dreaming of
And there's not a single thing that you can do

But I love him
It's too late to have a change of heart
I still love him
Tomorrow is his wedding day
And you'd keep quite if you're smart.

(Instrumental)

Oh you foolish little girl
An fickle little girl
You didn't want him when he wanted you

He's found another love
It's her he's dreaming of
And there's not a single thing that you can do

Forgot it girls he don't belong to you
I still love him
It's to late he's found somebody new
But I love him

There's not a single thing that you can do
I still love hime
Forget him cos he don't belong to you
Yea yea yea ah yea
Yea

There's not a single thing that you can do
Forget him girls he don't belong to you
There's not a single thing that you can do
