Got a date, can?t be late
Ooh, my-my, with my guy, I can?t wait
It?s paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy}

I met a boy last night, ooh
Finer than any other
He got close to me
Now he wants to be my lover

He?s got a brand new ride, huh
Fresher than an air of spring
I know together we, ooh
Could really have a super thing, whoa, whoa

Got a date, can?t be late
Ooh, my-my, with my guy, I can?t wait
It?s paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy}

He?s got an SEL, ooh
And me he?s givin? TLC
And in his penthouse suite
Is where he really loves me, oh

He?s a king of hearts
And I get lost when we?re apart
He really rocks me down, ooh
When he brings his love around, oh, hey, hey

Got a date, can?t be late
Ooh, my-my, with my guy, I can?t wait
It?s paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy}, oh

Got a date, can?t be late
Ooh, my-my, with my guy, I can?t wait
It?s paradise in his eyes
Ooh, my-my, sure is fine, what a guy

I?m gonna take my time, dress up tonight

We're gonna really rock the town
I've got to tell you it's gon' take a very long time
To pick up what we throw down

Get it on (Ooh), get it on (It's gonna be)
It's gon' be so sexy long (Good)
To the people hangin' out today (Yeah, yeah)
Tell them to get out the way (Got a date)

Up on Boogie Street, ooh
Is where the fancy people meet
He's gonna take me there
I know the dress I've got to where

Hey, Mr. Taximan, come on
Take me at a super speed, yeah
To his penthouse suite, ooh
And then take us to Boogie Street, oh, oh

Got a date, can't be late
Ooh, my-my, with my guy, I can't wait
It's paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy},
ooh

Got a date, can't be late
Ooh, my-my, with my guy, I can't wait
It's paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy}, oh

Got a date, can't be late
Ooh, my-my, with my guy, I can't wait
It's paradise in his eyes
Ooh, my-my, sure is fine, what a guy {What a guy}

Well, I've got a date, can't be late
Ooh, my-my, with my guy, can't wait
It's paradise in his eyes
