Hello Morning, Now when does the fun begin?  
Goodbye Morning, Sorry it had to end  
But see I cried just a little too long  
Now it's time for me to be strong  
Hello Morning, I sure missed you last night  
Goodbye Morning, You just won't do me right, ight, ight  
I stayed just a little too long  
Now it's time for me to move on  
They say I'm hopeless (hmmmm mmmmm)  
As a penny with a hole in it (penny with a, penny with a  
hole in it yeaaaaah)  
They say I'm no less (no less, no less, no less, no less)  
Than up to my head in it  
Ba ba ba ba ba ba ba ba ba ba ba ba ba ba ba ba  
Hey hey hey yea yea  
Hello Yesterday, I sure need you now  
Goodbye Yesterday, I just can't stay around  
You see I cried just a little too long  
And now it's time for me to be strong  
Hello Yesterday, Remember how it used to be?  
Goodbye Yesterday yea, I can't take you with me - no,  
no, no, I can't  
You see I stayed just a little too long  
And now it's time for me to move on  
They say I'm hopeless (hopeless, hopeless yeah)  
As a penny with a with a hole in it (ooou ouu whooo ouu  
ouu)  
They say I'm no less (no less, no less, no less, no less,  
no less)  
Than up to my head in it (oh yea yeah)  
They say I'm hopeless (they say I'm hopeless, hopeless  
yeaaa yea yea yea)  
As a penny with a hole in it (penny penny penny with a  
hole in it, hole in it, yea)  
They say I'm no less (no less, no less, no less, no less)  
Than up to my head in it (ummmmm ummm ummm
