I don't know where I'm going but I'm on my way
as I go through life
Somewhere in the world there's a place for me
Somewhere I will find me a new life

I don't know where I'm going but that's still ok
my dream is out there
Never gonna stop 'till that dream is mine
Gonna see what life's all about there

Gotta get away to go to search for something
that people call the good times
Let the good times come and turn my life around
I just gotta go and find the future and leave the past
behind me
somewhere fame and fortune's waiting to be found
and I'm on my way
Yes, I'm on my way

Somewhere I will find me a new life
Somewhere in the world there's a place for me

Gotta get away to go to search for something
that people call the good times
Let the good times come and turn my life around
I just gotta go and find the future and leave the past
behind me
somewhere fame and fortune's waiting to be found
and I'm on my way
Yes, I'm on my way
