I've fall out a few times
But never this far
I never knew I'd
surrender my heart

Everytime that you leave
You keep getting to me
Now I'm starting to see
This is love

Chorus:
Ouch that hurt
come kiss it better
oh my my
oho hoo

Ouch that hurt
baby whatever you do
let me be the one who
kisses it better for you

I'm insecure now
and I'm feeling afraid
For me it's a real thing
But for you it is only a game

Chorus:
Ouch that hurt
come kiss it better
oh my my
oho hoo

Ouch that hurt
baby whatever you do
let me be the one who
kisses it better for you

Everytime that you leave
you keep getting to me
now i'm starting to see
this is love

Ouch that hurt
come kiss it better
oh my my
oho hoo

Ouch that hurt
come kiss it better
kiss it better
kiss it better

Ouch that hurt
come kiss it better
oh my my
oho hoo

Ouch that hurt
come kiss it better
baby whatever you do
let me be the one who
kisses it better for you
