Chorus:

Don't go near the water if you don't like to swim  
'Cause somebody just might try and push you in  
Well now, how many times have I told you  
Not to get your feet wet  
If you don't like the water on you  
My baby baby baby get back

Chorus

See just because it may look good  
It don't mean you always have to indulge  
'Cause that's when it happens  
And you never know you might fall overboard

Chorus

I hope you're listening to what you hear  
'Cause I would never tell you no wrong  
But you don't have to believe me  
'Cause after all it's only a song
