When we gave up, oh, forever  
When we couldn't stay together  
After all the tears and trying

We drank some wine  
You went your way  
And I went mine

But we never said goodbye  
Never understood what happened  
We never said goodbye  
Did you ever wonder why  
We never said goodbye

I tried so hard to forget you  
I tried so hard living without you  
I always thought some day I'd find out

Waited so long  
First it was here  
Then it was gone

But we never said goodbye  
Never understood what happened  
We never said goodbye  
Did you ever wonder why  
We never said goodbye

Maybe tonight  
We will realize our love that we have  
Maybe tonight  
We can fill each other's eyes and be glad

The nights are long thinking about you  
I can't help hoping it's not true  
I can't help the way I'm feeling

Maybe it's time  
Give me your love  
Tell me it's mine

?Cause we never said goodbye  
We never got around to  
What went wrong with you and I  
Did you ever wonder why  
We never said goodbye

Never said goodbye  
Never understood what happened  
Never said goodbye  
Did you ever wonder why  
We never said goodbye
