INTRO - DIGGY VM (1)

Yo what up Dionne it's Diggy

I got erm caught up in the studio doing some things

So I'm erm a hit you later

Verse 1

Maybe you caught the train just like you said you did

Maybe it broke down but you didn't give up

Maybe you got pinned down by all the weight of gifts

That you were bringing me to show your love

Maybe you got lost on the way back to my house

Maybe you called and I was on the phone

Maybe you thought if you were late I'd throw you out

Maybe you think I like being on my own

Chorus

Yeah right

Yeah right

I mean honestly

You lied to me like I'm not there

Yeah right

Yeah right

You must be mad you lied so bad

Just listen to yourself

Yeah right

Yeah right

You'll lose my love

If you keep it up

Yeah right Mmm

Verse 2

Maybe you got messed up by someone in your past

Maybe you give me what they gave to you

Maybe it all makes sense of why you run so fast

Acting like this is some police interview

Maybe you're waiting for my birthday to arrive

And then you're gonna tell me everything

Chorus

Yeah right

Yeah right

I mean honestly

You lied to me like I'm not there

Yeah right

Yeah right

You must be mad you lied so bad

Just listen to yourself
Yeah right
Yeah right
You'll lose my love

If you keep it up
Yeah right Mmm
