Hey hey hey

Walking away was the best thing I could ever do
'Cause once you make your decision, your decision is
made
When we find ourselves up in arms more often than
most
By then we know it's time to go
And walking away was the best thing that I could ever
do

It's the 11th hour
It's the 11th hour
It's the 11th hour
It's the 11th hour

It's the 11th hour
It's the 11th hour
It's the 11th hour
Yeah

La la la la la
La la la la la
La la la la la

La la la la la
La la la la la
La la la la la

I'm so glad time and space was shared together
Songs were sung and laughter filled the air
But just as life is long, we must move on
And chart our own course to the rising sun

It's the 11th hour
It's the 11th hour
It's the 11th hour
It's the 11th hour

It's the 11th hour
It's the 11th hour
It's the 11th hour

Yeah

La la la la la
La la la la la
La la la la la

La la la la la
La la la la la
La la la la la

I'm so glad time and space was shared together
Songs were sung and laughter filled the air
But just as life is long, we must move on
Just as life is long, we must move on
And chart our own course to the rising sun

La la la la la
La la la la la
La la la la la
