Hello morning, now when does the fun begin  
Goodbye morning, sorry it had to end  
But see I cried just a little too long  
Now it's time for me to be strong  
Hello morning, I sure missed you last night  
Goodbye morning, you just won't do me right  
I stayed just a little too long  
Now it's time for me to move on  
They say I'm hopeless, as a penny wit a hole in it  
Penny wit a, penny wit a hole in it, yeah, yeah, yeah  
They say I'm no less, no less, no less, no less, no less  
Than up to my head in it  
Bah (17 times), hey, yeah, yeah, yeah  
Hello yesterday, I sure need you now  
Goodbye yesterday, I just can't stay around  
You see I cried just a little too long  
Now it's time for me to be strong

Hello yesterday, remember how it used to be  
Goodbye yesterday, I can't take you with me  
No, no, no I can't  
You see I stayed just a little too long  
And now it's time for me to move on  
They say I'm hopeless, hopeless, hopeless, yeah  
As a penny wit a hole in it  
They say I'm no less, no less, no less, no less, no less,  
no less  
Than up to my head in it  
Yeah, yeah, they say I'm hopeless, hopeless  
Yeah, yeah, yeah, yeah  
As a penny wit a hole in it  
Penny, penny, penny wit a hole in it, hole in it, yeah  
They say I'm no less, no less, no less, no less, no less  
Than up to my head in it  
Bah (17 times)  
hey, hey, hey
