Lyric by Milton Davis)

I know what you're doing, yeah, yeah  
I know why you dialed my number  
I know what you're doing yeah, yeah  
I know why you care  
I know what you're doing, yeah, yeah  
I know why you say you love me  
I know what you're doing, yeah, yeah  
I don't think it's fair  
I know why you dialed my number  
I know why you say you're mine  
I know what you're doing  
And it's not going to work this time  
I know what you're doing, yeah, yeah  
I can never sing in that key  
I know what you're doing, yeah, yeah  
And you're the one to blame  
I know what you're doing, yeah, yeah  
I know why you can't forgive me  
I know why you're singing lost love  
The lyrics haven't changed  
I can recognize the symptoms  
You should know I've changed my mind  
I know what you're doing  
And it's not going to work this time  
I know what you're doing baby  
I know why you call my name  
I know why you say you love me  
But I can't stay the same
