When I get tired and feeling blue
I think of all the things I can do
In summer
(Summer)
In summer
(Summer)
I swim or fish or go for a driver
The whole wide world will come alive
In summer
(Summer)
In summer
(Summer)
Walking with the boys
Talking with girls
Laughing with the boys and
Kissing all the girls
In summer
Every girl and every guy
Has that certain look in there eye
In summer
(Summer)
In summer
(Summer)
A true love or a summer affair
No one knows and nobody cares
In summer
(Summer)
In summer
(Summer)
Walking with the boys
Talking with girls
Laughing with the boys and
Kissing all the girls
In summer
MUSIC INTERLUDE
Walking with the boys
Talking with girls
Laughing with the boys and
Kissing all the girls
In summer
And so if you're a little like me

A things will change most definitely
In summer
(Summer)
In summer
(Summer)
All your blues will disappear
Doing in things you have planned all year
In summer
(Summer)
In summer
(Summer)
Walking with the boys
Talking with girls
Laughing with the boys and
Kissing all the girls
In summer
In summer
Role on summer
Come on summer
