She got a wedding dress
Chiffon and lace
She's got a virgin veil
To hang before her face
She got a prime rib dinner
In some fancy place
So what's she doing here with me, me

CHORUS

She said I'm getting married in the morning
I'm finally gonna do something right
I'm getting married in the morning
Baby I'm staying here with you tonight
She got three limousines
So sleek and long
She got a ten piece band
And her own wedding song
She got a rock of a ring
Five carets strong
So what's she doing here with me, me
She said I'm getting married in the morning
I'm finally gonna do Mr. Right, right
I'm getting married in the morning
But I'm staying here with you tonight
Something borrowed, something blue
She got something old

She said give me something new
She got six pretty maids
In their rented gowns
She got a good reputation
Never ran around
She got a diamond tiara that's the talk of the town
So what's she doing here with me? me?

CHORUS

I'm getting married in the morning
I'm finally gonna do Mr. Right, right
I'm getting married in the morning
Baby I'm staying here with you tonight
I'm getting married
I'm getting married in the morning
I'm getting married
I'm getting married in the morning

I'm getting married
I'm getting married in the morning
I'm getting married
I'm getting married in the morning
I'm getting married
I'm getting married in the morning
