Here she comes, hey

She says, he hardly ever holds her
(Hardly ever holds her)
She says, he hardly pays her any mind
Been such a long time since he's told her
(Since he's told her)
He used to talk about forever
Now he don't have the time

These days he hardly ever loves her
(Hardly ever loves her)
Lookin' at her I find that hard to believe
If it's true he's gonna lose her
(Yes, hardly ever loves her)
If I have my way, it will be to me, yeah

My new girlfriend's got a boyfriend
They say that all is fair in love and war
My new girlfriend's got a boyfriend
And I'm ready to wage a war

I'm gonna hold her tighter
(Just a little tighter)
I'm gonna love her like
she's never been loved before
And if there's trouble I'll be beside her
(I'll be right beside her)
Long before the first teardrop falls, yeah

My new girlfriend's got a boyfriend
They say that all is fair in love and war
My new girlfriend's got a boyfriend
And I'm ready to wage a war

Last night we talked for a long time
Last night she let me walk her home
Last night she let me hold her
Last night I didn't have to spend alone
Last night she let me kiss her
I kissed her, I kissed her, yeah

My new girlfriend's got a boyfriend
They say that all is fair in love and war
My new girlfriend's got a boyfriend
And I'm ready to wage a war

My new girlfriend's got a boyfriend
My new girlfriend's got a boyfriend
My new girlfriend's got a boyfriend
My new girlfriend's got a boyfriend
